NOTICE OF MARKET-DOMINANT
PRICE ADJUSTMENT

Docket No. R2013-10

**UNITED STATES POSTAL SERVICE NOTICE
OF REVISIONS TO USPS-LR-R2013-10/NP1 -- ERRATA**
(October 18, 2013)

On September 26, 2013, the Postal Service filed a Notice of Market-Dominant Price Adjustment in Docket No. R2013-10. The Postal Service hereby provides notice of minor changes to USPS-LR-R2013-10/NP1, relating to changes in the workpapers that estimate the revenues for First-Class Mail International resulting from the price change for purposes of the cap calculation of the First-Class Mail class. Related additional revisions are being made to the Notice of Market Dominant Price Adjustments and the public version of the First-Class Mail workpapers in this case, and related materials in the Exigent case, and separate notices to that effect are also being filed today.

Specifically, in preparing the September 26th filings, in USPS-LR-R2013-10/NP1, placeholders were used in the worksheets for Inbound International First-Class Mail for Internal Air Conveyance charges. Subsequent to the filing, the UPU released the actual charges for CY 2014. Replacing the placeholders used in the original filing with the actual charges announced by the UPU causes relatively minor changes in the spreadsheets. In USPS-LR- R2013-10/NP1, this causes changes in both the Preface

and the Excel spreadsheet. The changes in the Preface are explained at the end of the Preface. In the Excel spreadsheet, the tabs that change are highlighted in yellow, and within those tabs, the cells that change are also highlighted in yellow.

A new CD accompanies this filing, which completely replaces the original disk for USPS-LR-R2013-10/NP1.

The materials submitted to the Commission with this notice include commercially sensitive information, such as outbound and inbound country-specific volume and revenue data, certain non-published rates, and underlying calculations related to price adjustments. The files associated with these calculations are accordingly submitted in the nonpublic annex in this proceeding. The Postal Service incorporates by reference the application for non-public treatment included as Attachment 1 to the Postal Service's Notice of Filing of USPS-LR-R2013-10-NP/1 of September 26, 2013.

Respectfully submitted,

UNITED STATES POSTAL SERVICE
